

*Columbia*

3 BR | 2 BA | 1119 SQ. FT.

**THE COLUMBIA** is a three bedroom, two bath home integrating an exceptional use of space with a compact footprint that will fit most properties. Its open concept living space is designed for modern lifestyles that want conversation, activity and entertaining made easy. Notice that the kitchen has plenty of cabinetry, pantry storage and an island with eating bar. The master bedroom is located opposite the other bedrooms for added privacy. Intelligent design makes this home feel larger than its square footage.
