WINSLOW II—Timberland has added bold, two story designs to our Contemporary Collection. Your modern lifestyle will appreciate the harmony of form and function with its impressive street appeal and open floor plan. This four bedroom home features the convenience of a secondary master on the main floor—what a great idea! The kitchen opens to the great room where you can cozy up to the fireplace, and the sheltered entry says “welcome home”. Flexible loft space and viewing deck on the second floor are integral to this unique design.
