

Aspen  
Display Model 1738 square feet

## Model Home for Sale at Special Price

Rustic meets refined, and you'll feel it when you step onto the porch that wraps around this timeless treasure. You'll be drawn to the Arts and Crafts details, the warmth of tumbled slate and the character of vintage bronze. Cutting edge convenience hasn't compromised authenticity. Entertain a crowd on your wrap around porch or retreat to the reading nook. Pamper yourself in what feels like an intimate lodge. Outside, you'll want to lean back, relax and take in your surroundings. Timeless never goes out of style—this is a real jewel.
